is (if a person or private corporation) a citizen of Wisconsin  
(State, if known)

and (if a person) resides at \_\_\_\_\_  
(Address, if known)

and (if the defendant harmed you while doing the defendant's job)

worked for Racine County - 9th Floor 730 Wisconsin Avenue Racine, WI 53403  
(Employer's name and address, if known)

(If you need to list more defendants, use another piece of paper.)

B. STATEMENT OF CLAIM

On the space provided on the following pages, tell:

1. Who violated your rights;
2. What each defendant did;
3. When they did it;
4. Where it happened; and
5. Why they did it, if you know.

On March 10, 2022 officer Steven Beal of Racine Family Court violated my rights by \_\_\_\_\_  
\_\_\_\_\_ creating a felony criminal complaint without proper service. I had no knowledge of  
\_\_\_\_\_ this complaint until I checked my Wisconsin Circuit Court record on May 16th, 2022. This  
\_\_\_\_\_ allowed Racine Family Court to search and seize my information without my knowledge for  
\_\_\_\_\_ over 2 months and violate my 3rd and 4th amendment United States Constitutional Rights  
\_\_\_\_\_ to avoid improper search and seizure of my property and also \_\_\_\_\_  
\_\_\_\_\_ to maintain privacy. The trial court alleges that I committed a crime by simply  
\_\_\_\_\_ filing a small claims lawsuit against Racine Social Worker Andrew Patch (See Wisconsin  
\_\_\_\_\_ Case 2022SC000510) me via malicious and embellished testimony. This case  
\_\_\_\_\_ 2022SC000510 has been dismissed due to Judge Cafferty of Racine Family Court

Amended Complaint – 2

threatening me with sanctions. Even after I dismissed this case the felony charges remained open without my knowledge with an open warrant allowing the police to Improperly search and seize my property. Google has confirmed that Racine County Has hacked my phone and I've also had to spend hundreds of dollars securing my home network where my wifi is currently unusable. I have missed multiple days of work because I am a work from home remote work employee of Northwestern Mutual. I've had to used paid time off in order to try to fix my home network due to the damage caused by this unlawful search and seizure warrant. Also my Discover Bank credit card has been hacked as they confirmed with me over the phone. How am I supposed to do financial discovery in a family law case when Racine Family Court has hacked my bank accounts? The Racine Family court has done this in order to create more enforcement wards under the agenda of the Wisconsin Child Support Agency in order to maintain the maximum amount of money flowing into this Child Support Enforcement "Statutory Scheme" as the US Supreme Court commented on Child Support in Blessing v. Freestone, 520 U.S. 329 (1997). This is why Racine Family Court violated my rights is because they receive contracted awards for enforcing child support and Family court social worker Andrew Patch locked me into many more months of child support by providing this embellished testimony. In the meantime Racine Family Court and its officers can profit mightily from this case and create more billable hours for this corrupt guardian ad litem - Attorney Megan McGee Norris.

C. JURISDICTION

☒ I am suing for a violation of federal law under 28 U.S.C. § 1331.

OR

☐ I am suing under state law. The state citizenship of the plaintiff(s) is (are) different from the state citizenship of every defendant, and the amount of money at stake in this case (not counting interest and costs) is \$ \_\_\_\_\_.

D. RELIEF WANTED

Describe what you want the Court to do if you win your lawsuit. Examples may include an award of money or an order telling defendants to do something or to stop doing something.

I hereby move the Eastern District Federal Court to transfer this Wisconsin case

(2022CF000630) to Federal Court

I also move the court to quash all warrants related to this case. This is a violation

of my 3rd and 4th Amendment United States Bill of Rights.

I also move the court to Stay Racine Family court case 2021FA000592 in order to give me

time to correct the damage that has been done to my bank accounts that have been

frozen and locked. Racine Family Court is expecting me to provide financial discovery

information by June 7th and this is not feasible until my home network is fully restored.

And then this unreasonable felony hearing is on June 8th. I will not have time to prepare

for a financial discovery family court hearing on June 7th and then on June 8th report for a pre-trial hearing on felony charges.
